

Michael House School Craft Group

Advent Strings 2008

A celebration of Advent for all the family beginning on the first Sunday in December (Sunday 30th November this year). There is a small gift to unwrap each day. Many are hand made and they can be gathered together to form part of the nature table in preparation for Christmas. The gifts reflect the treasures of the mineral, plant and animal kingdoms and culminate in the wonder of the Nativity.

Begin unwrapping from the bottom of the string

The advent string is ideal to share between all members of the Family and can be enjoyed by children and adults alike.

The Advent strings are priced at £12 each and can be ordered using the form below (subject to availability). Any unsold strings will be for sale at the school Festival of work on Saturday 22nd November. In previous years the strings had all been sold in advance. Ordered strings can be collected from Michael House School office by arrangement or sent by post (£4.00 P&P).

Please return your order and payment to the school office
Orders without payment will not be accepted
