

Newsletter supplement – September 27th

Exams Officer required

Owing to the retirement of our former exams officer we are looking to recruit a replacement. The post requires someone with a strong attention to detail and a methodical approach to clerical organisation. The post requires a degree of flexibility with certain times of year such as the mock exams in February and the final exams in June requiring extra input. The pay is £9.00/hour and this is a zero hour contract.

Expressions of interest to Satu by Friday 29th September 2017.

Curative Eurythmy

The school will be offering curative eurythmy one morning a week in the near future. We are delighted to have engaged the services of Truus from Holland who has a lengthy experience in this field. Pupils will be put forward by class teachers or they can be referred by parents who feel their child might benefit. Pupils participation will only take place with parental permission and there will be a charge for the sessions.

Knit and Knatter sessions

Calling all yarn crafters (actual or potential).

We are starting a Knit and Natter group in the school kitchen on Wednesday mornings, 8.30 – 10.30. Come along to share ideas and skills, learn new techniques, or try something new.

Knitting, crochet, felting, weaving, or just having a cuppa and catching up with friends.

£2 on the door, refreshments provided, all proceeds go to the school to help fund much needed projects. Bring your own craft supplies and works in progress, or just come along to have a go and try a new skill – no experience necessary!
